

# I Am

By Bebo Norman

Em C2 G2 D  
Come along I'll walk with you thru the world  
Em C2 G2 D  
and we will sing a different song  
Em C2 G2 D  
and all along, you have been unfurled  
Em C2 G2 D  
but I will hold you from now on

(all the verses are the same chord progression)  
I saw the day, when you had lost your way  
I saw the sun sinking low  
I saw the night, remember how you cried  
But don't you know you're not alone, you're not alone

## CHORUS

Em C2  
cause I am in the sun, I am in the shade  
G2 D  
I am in the light that love has made,  
Em C2  
I am in the cold, I am in the warm  
G2 D  
I am in the center of your storm,  
Em C2  
I am in the fire, I am in the flood  
G2 D  
I am in the marrow and the blood,  
Am7 D C2  
When you cannot stand...I AM

## V3

Come with me, I'll take you to the sea  
And it will be all beautiful  
And all the water that covers everything  
Cannot compare to my love, for you my love..

## CHORUS

## BRIDGE

C2 G2  
When the light won't come  
C2 G2  
When your breathe is gone  
C2 Em  
When your hope is done  
C2 D  
Just look at me, look at me...
